

Travel with *The Octonauts!*

The crew vacations at a coral reef. However, it should be rainbow colored! Why is it white? Mr. Slowstache is the only one left. Can they help him find a new home?

Questions:

1. Where does your family like to go for vacation? Why do you like to go there?

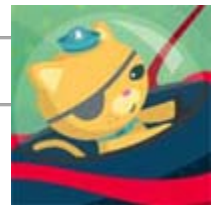

2. Who are your best friends? What do you like to do together?

3. What is a coral reef? Why is it bad if its color is white?

4. What is algae? How does the algae help the coral?

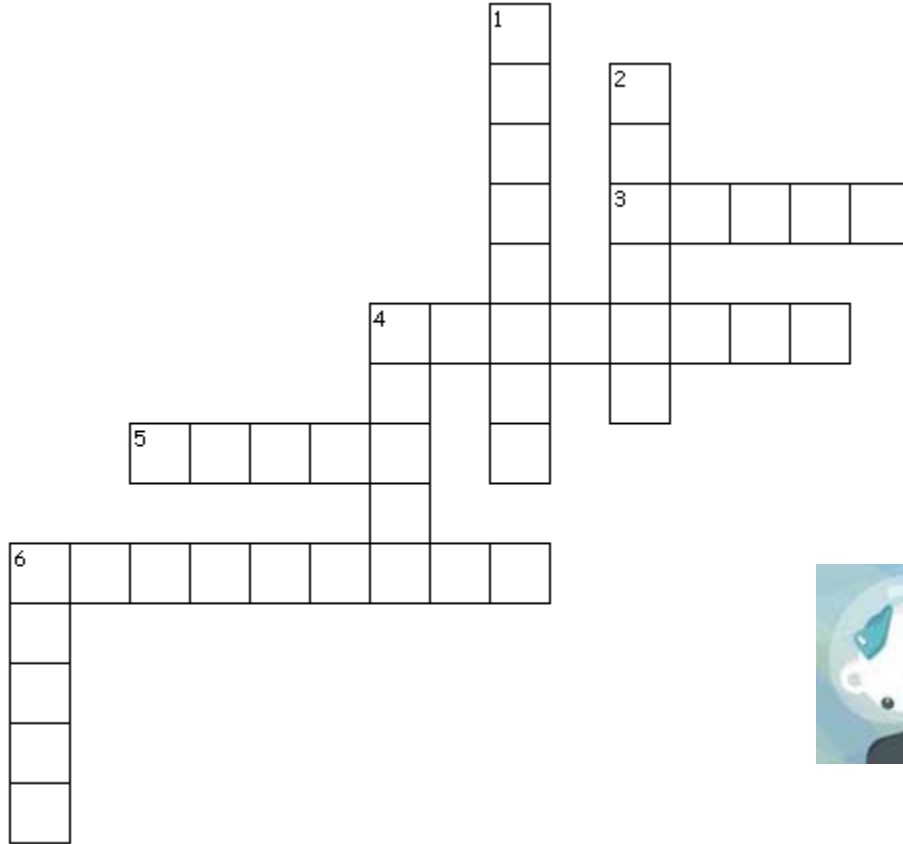

5. How can people save the environment? How do you help your neighborhood or city?

6. Why does Mr. Slowstache need a new home? How can we help the homeless?
