

Captain Barnacles - Felt Mask

Instructions:

The face

1. Layer pieces A, B and C with C behind B, and A in front of B.
2. Position elastic at the mid eye level, between layers C and B. Pin the elastic to the other pieces, about half an inch into the mask
3. Stitch together.
4. Stitch around the eyes and inner ears.
5. Attach the light blue nose (G) to the bright blue nose (H), and then attach to the mask.

Cut the following pieces in felt

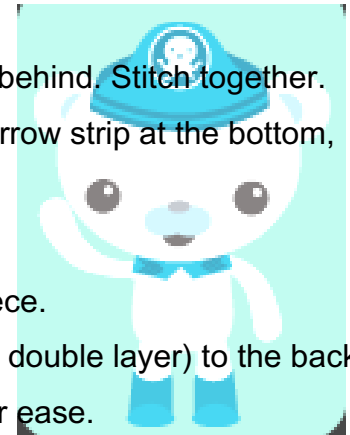

- A: One in white
- B: One in light blue
- C: One in white
- D: Two in bright blue
- E: One in bright blue
- F: One in dark blue (hat stripe)
- G: One in light blue
- H: One in bright blue

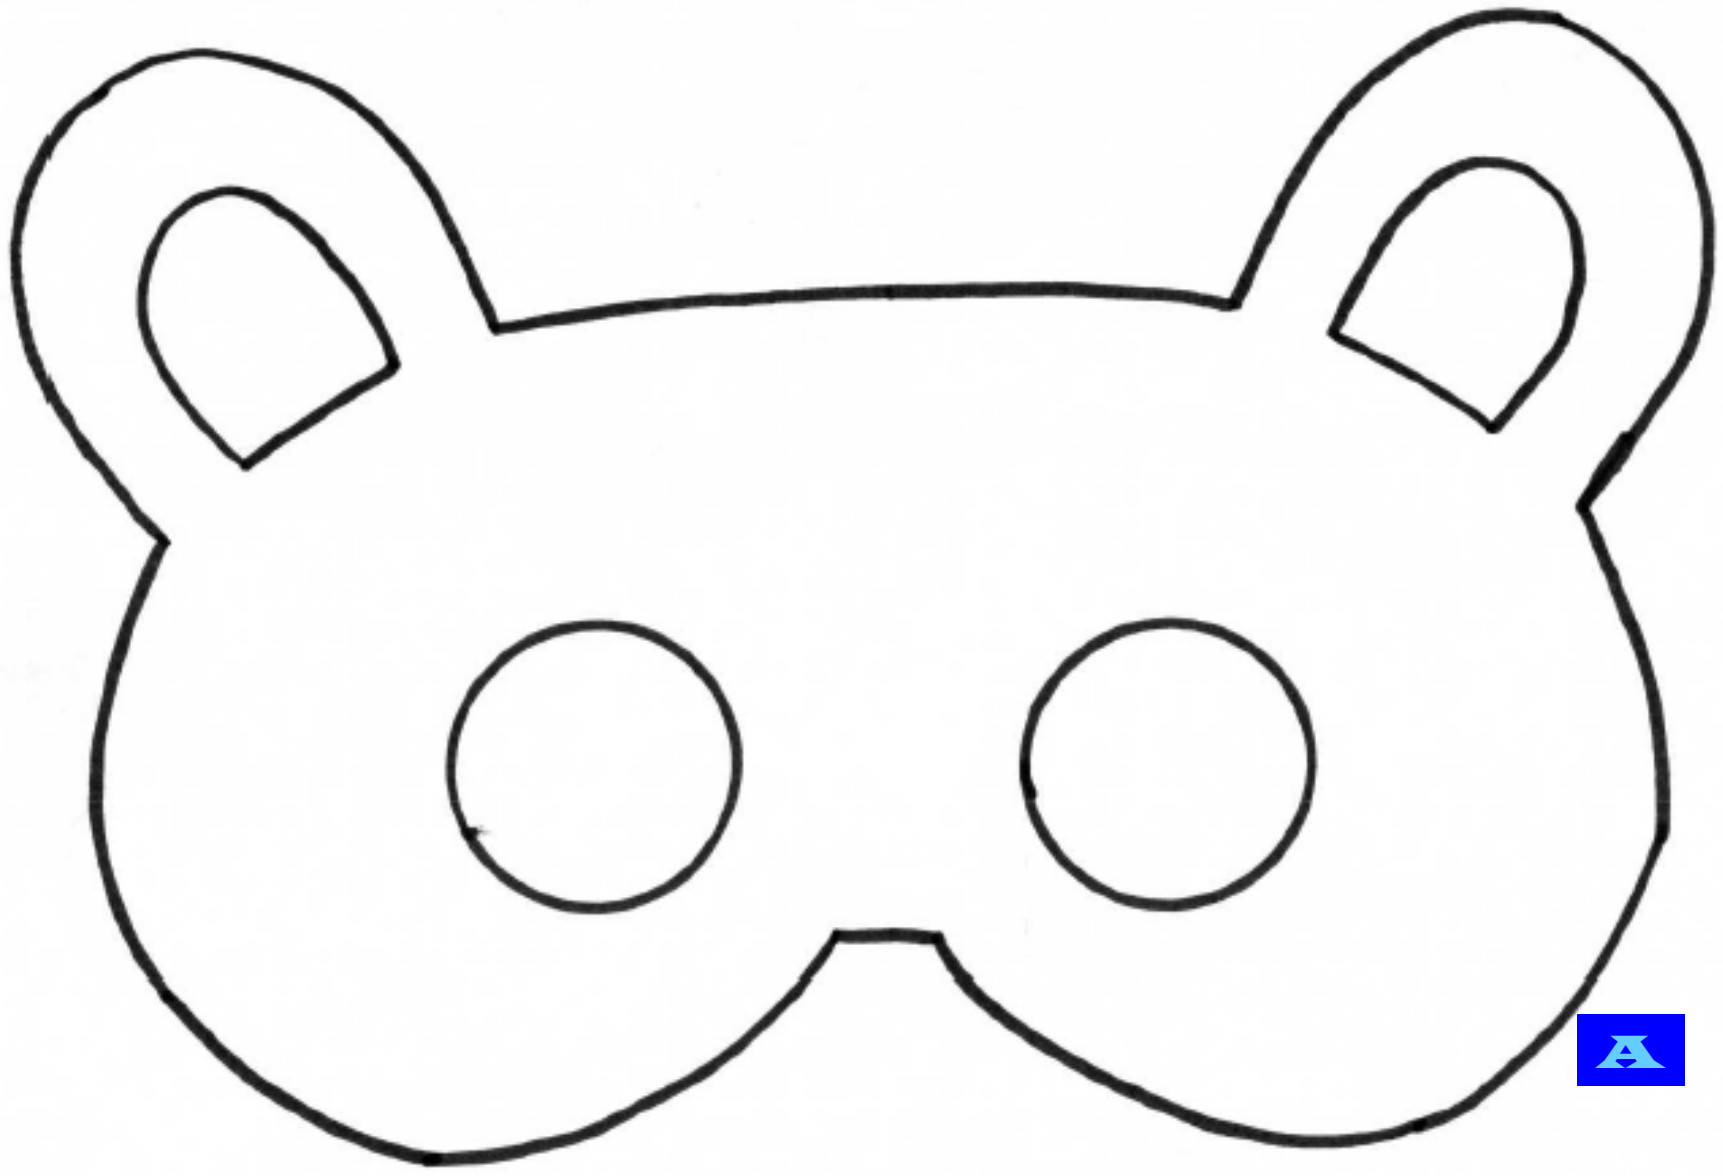

You will also need:

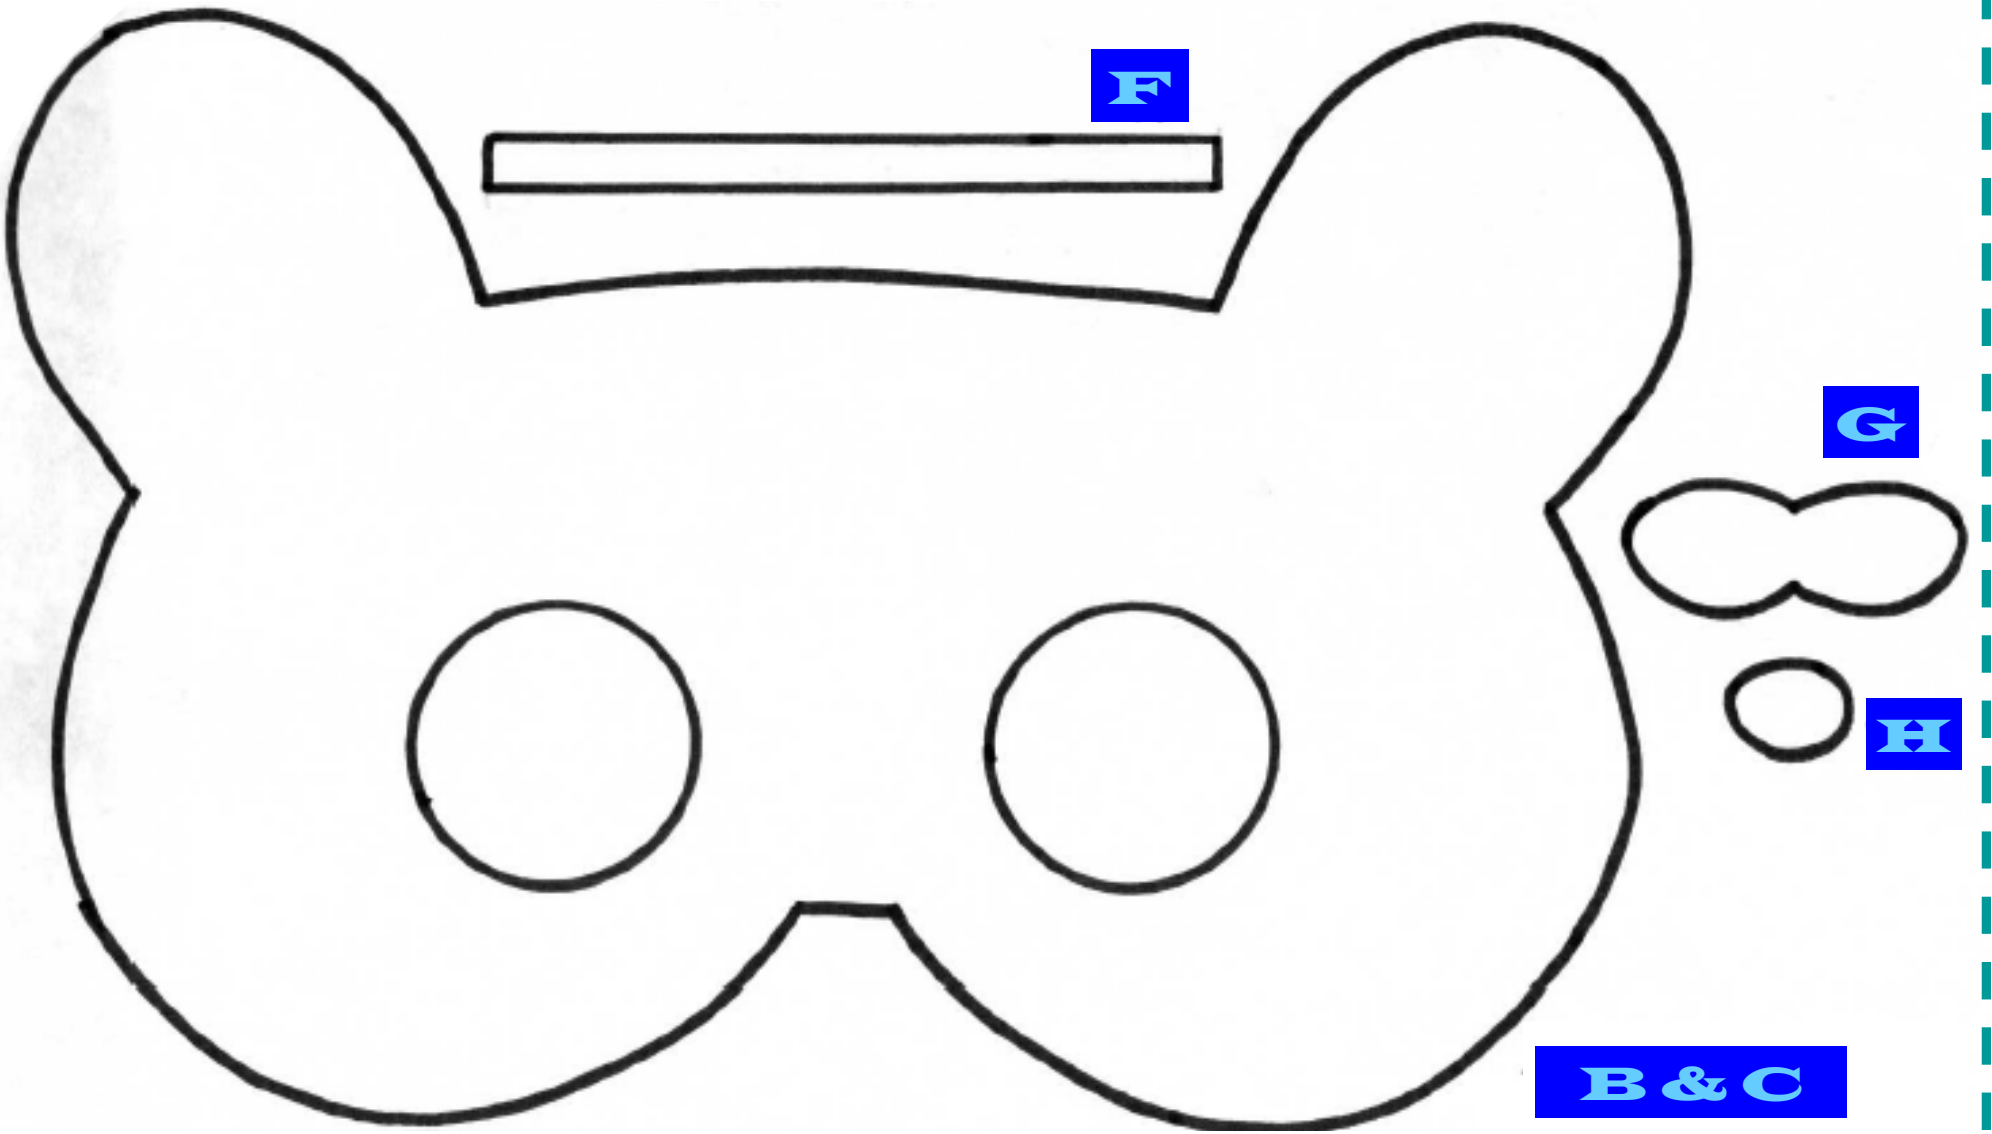

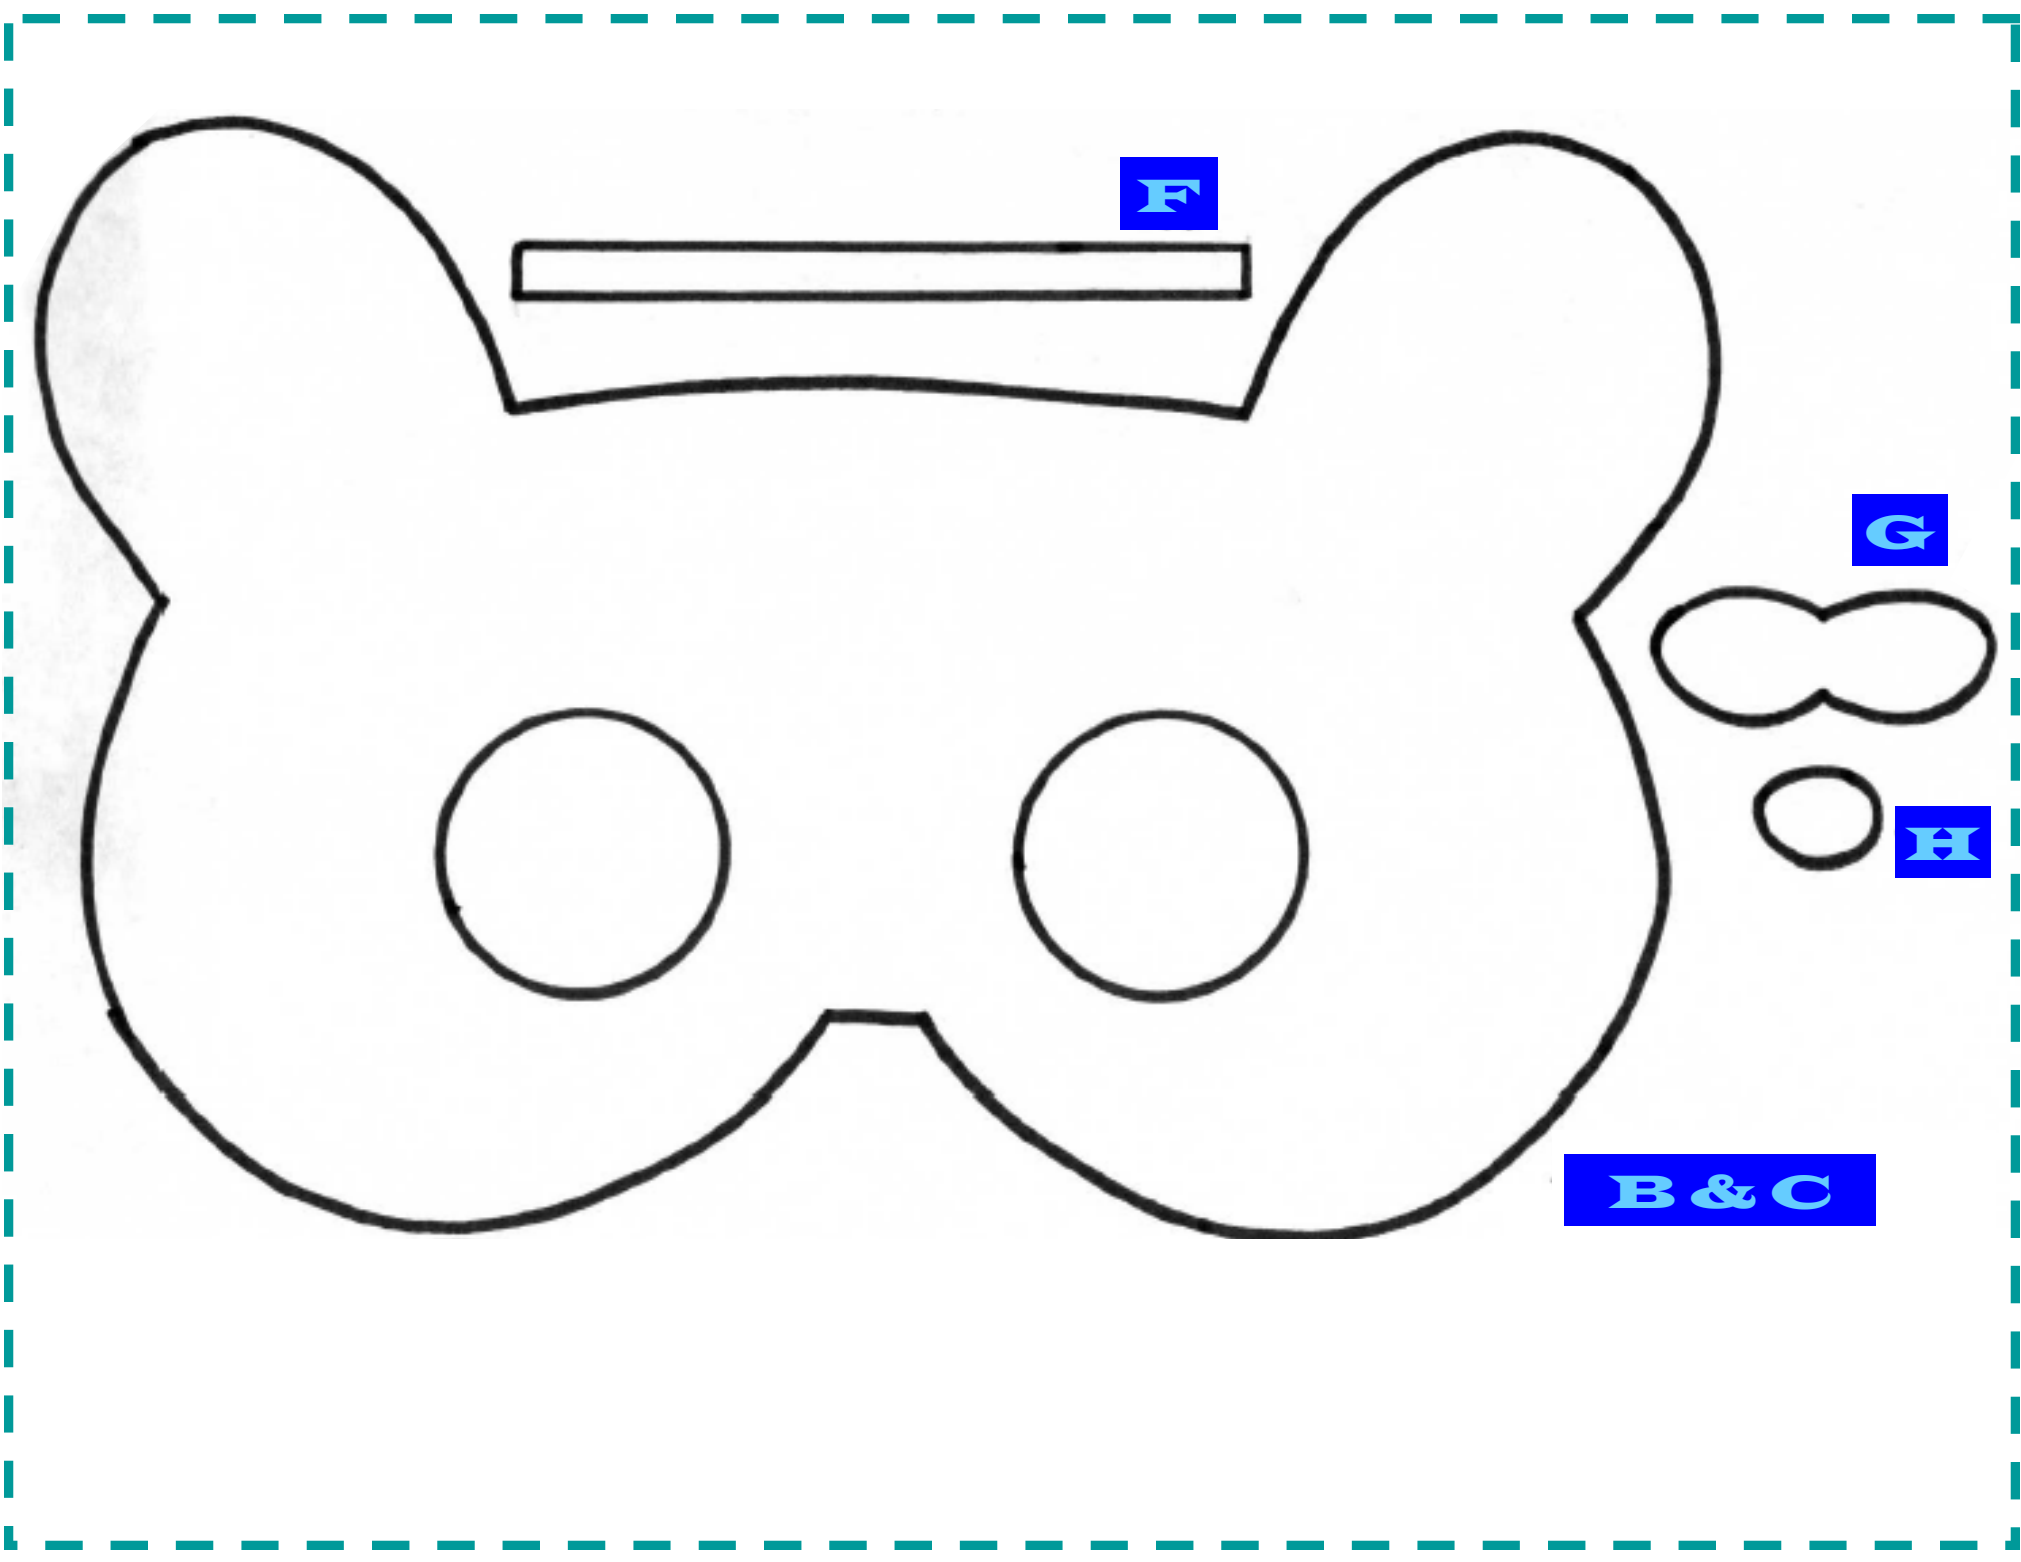

- One Octonauts Logo
- Up to 11 inches of thin elastic

The Hat

1. Attach piece F to piece E (the longer hat piece). If you prefer, you can cut F in half so that you have two stripes.
2. Layer pieces D and E together with E on top and both of D behind. **Stitch together.**
3. You should have a hat that has three layers except for a narrow strip at the bottom, which is one layer of felt.
4. Stitch or hot glue the Octonauts symbol to the hat.
5. Attach the hat to the face along the one layer of the hat. Piece.
6. Turn the mask over and hand stitch the back of the hat (the double layer) to the back layer of the mask, this will make it stand upright with greater ease.
