

# Kwazii Kitten - Felt Mask

## Instructions:

### The face

1. Stitch one set of brown spots to layer A
2. Stitch eye patch to layer A
3. Layer pieces A, and two of B with A in front.
4. Position elastic at the mid eye level, between the two yellow layers. Pin the elastic to the other pieces, about half an inch into the mask
5. Stitch together.
6. Stitch around the eye and inner ears.
7. Attach the pink nose to the yellow nose.
8. Attach nose to face mask.
9. Cut a bite mark out of the left ear.

### **Cut the following pieces in felt**

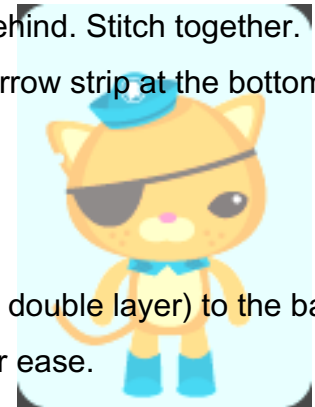

- A: One in orange
- B: Two in yellow
- C: One in black
- D: One in pink
- E: One in yellow
- F: One set in brown
- G: One in dark blue
- H: Two in bright blue
- I: One in bright blue

### **You will also need:**

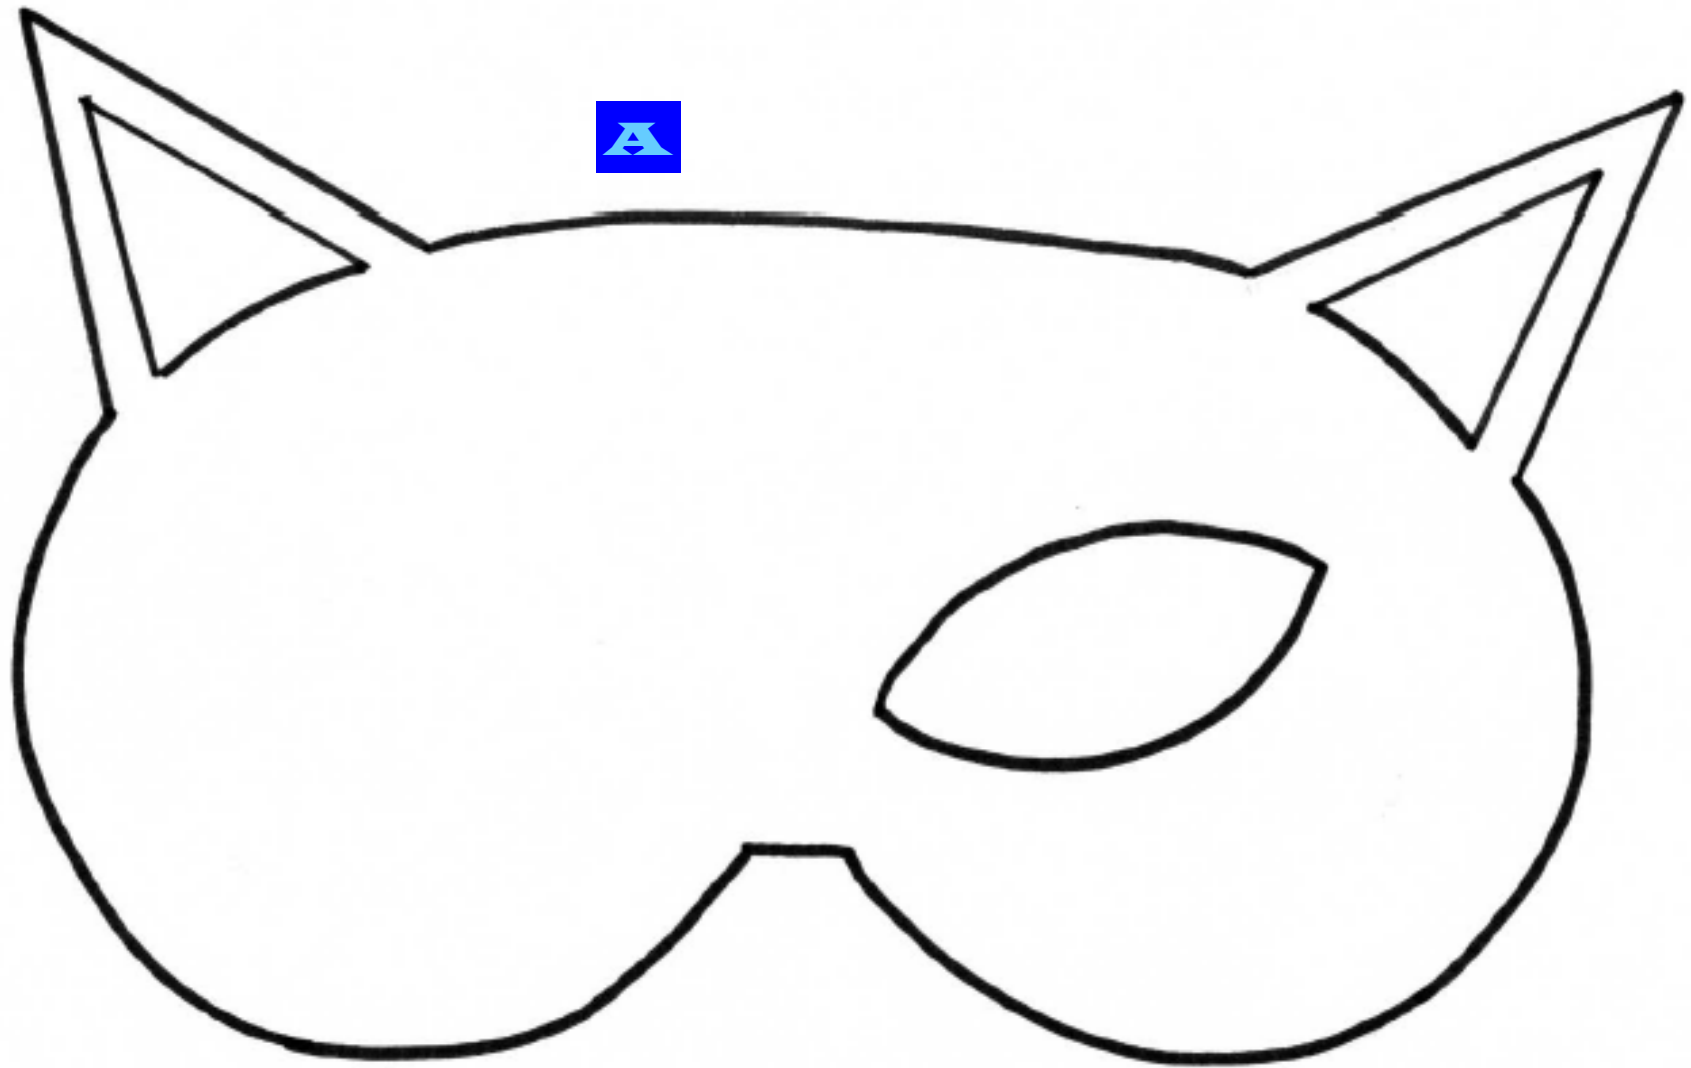

- One Octonauts Logo
- Up to 11 inches of thin elastic

### The Hat

1. Attach piece G to piece I (the longer hat piece)
2. Layer pieces H and I together with I on top and both of H behind. Stitch together.
3. You should have a hat that has three layers except for a narrow strip at the bottom, which is one layer of felt.
4. Stitch or hot glue the Octonauts symbol to the hat.
5. Attach the hat to the face along the one layer of the hat.
6. Turn the mask over and hand stitch the back of the hat (the double layer) to the back layer of the mask, this will make it stand upright with greater ease.

Put mask on and go exploring matey!
