

Tweak Bunny - Felt Mask

Instructions

The face

1. Stitch pieces B and C together
2. Layer the B-C piece on top of piece A
3. Position elastic at the mid eye level, between layers A and B. Pin the elastic to the other pieces, about half an inch into the mask
4. Stitch together.
5. Stitch around the eyes.
6. Attach the pink nose (E) to the white nose (D), and then attach to the mask.
7. Attach the headband (F) to the top of the face mask using an appropriate thread color.

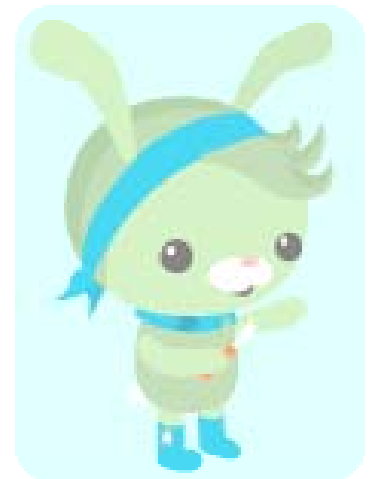

Cut the following pieces in felt

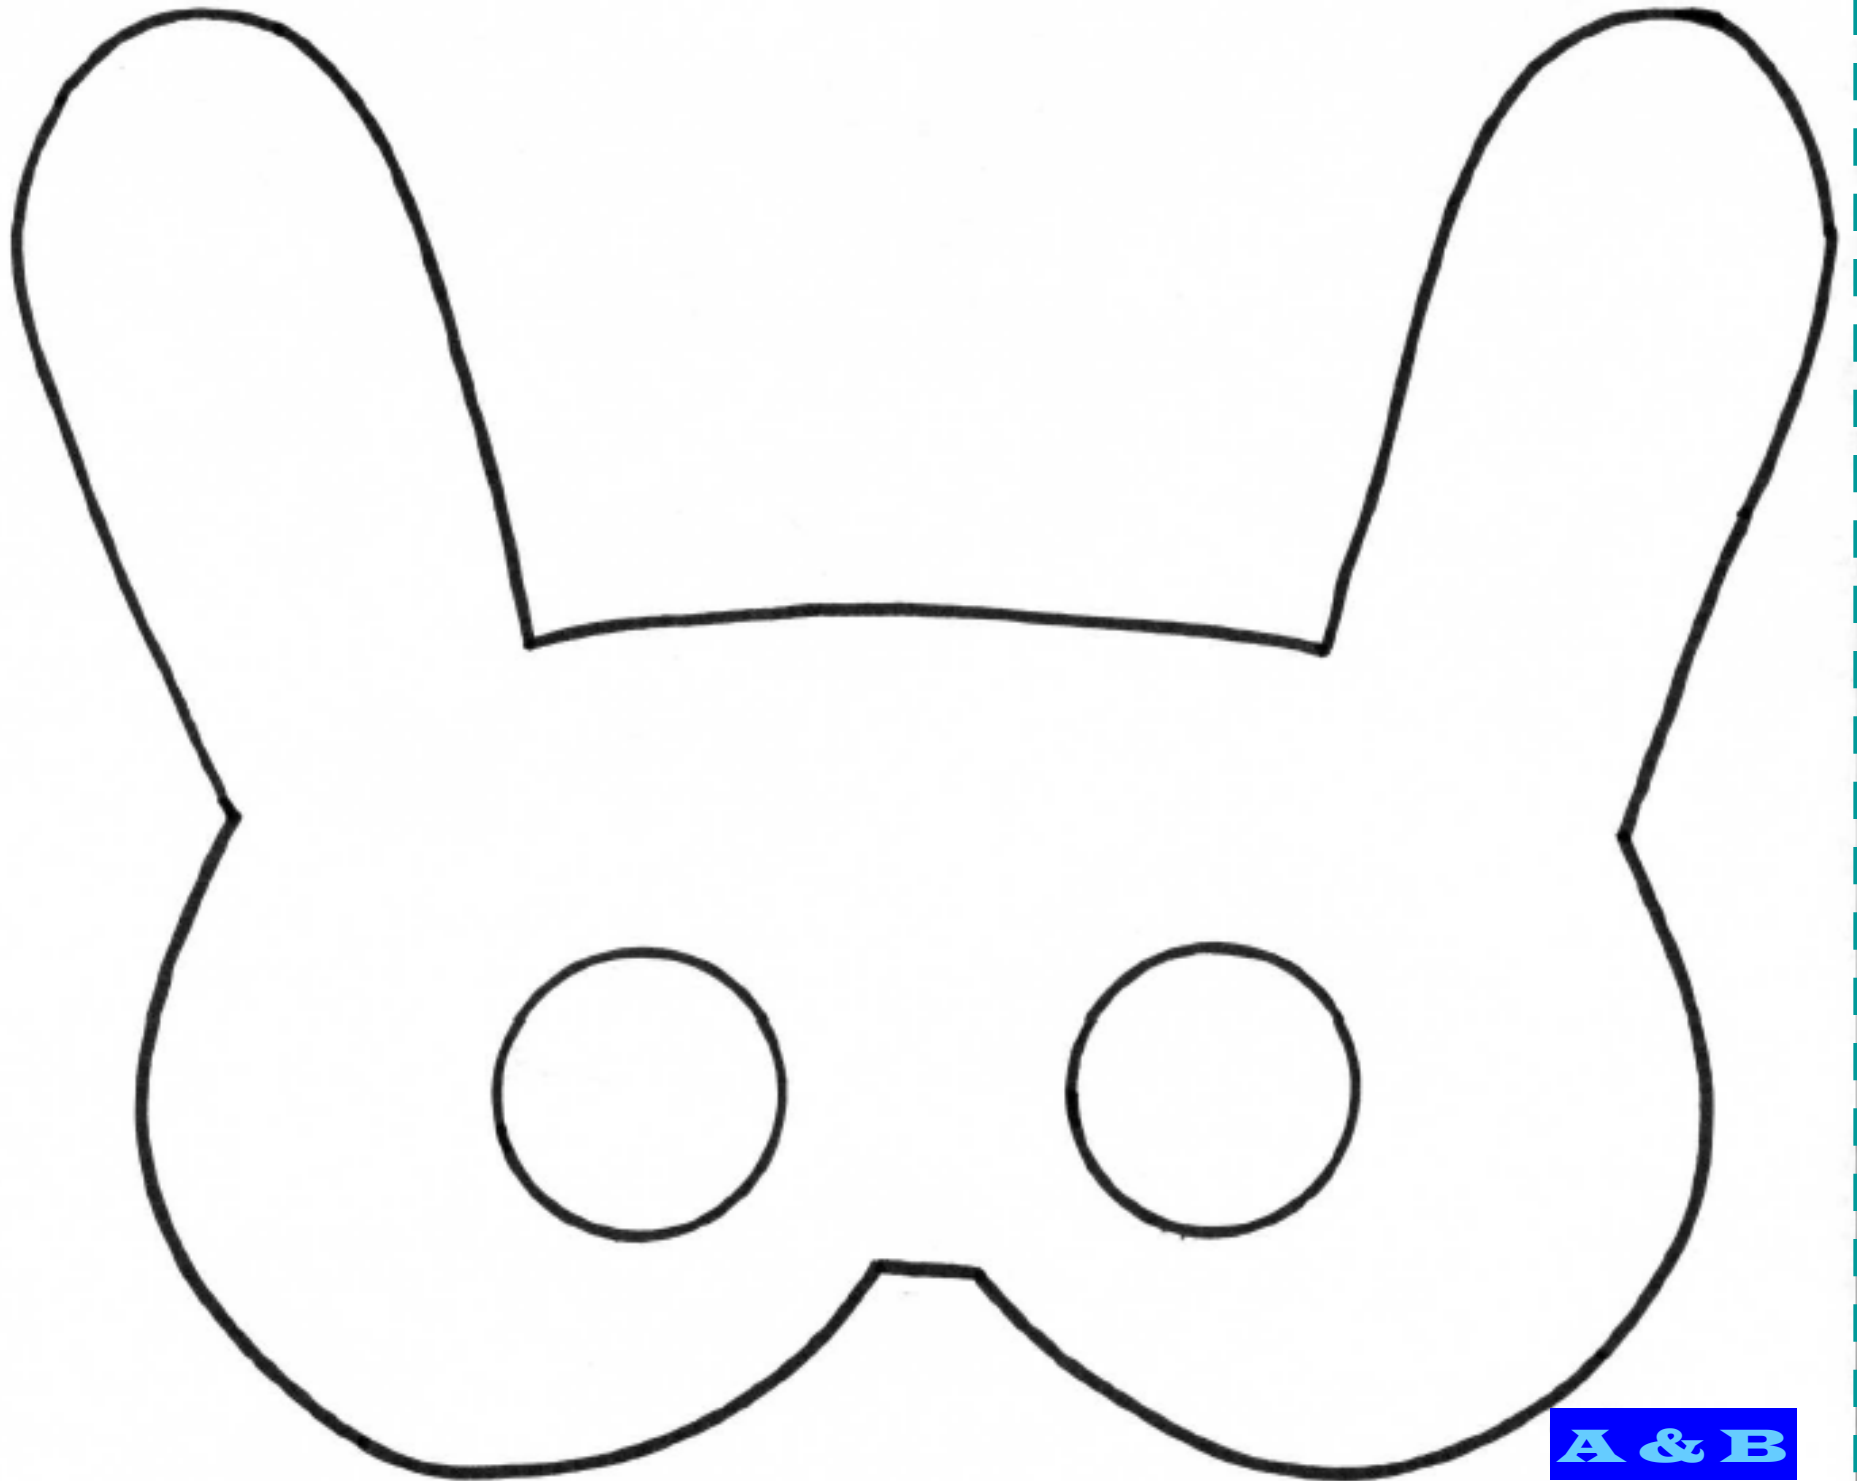

- A: One in dark green
- B: One in light green
- C: One in dark green
- D: One in white
- E: One in pink
- F: One in the color of your choice

You will also need:

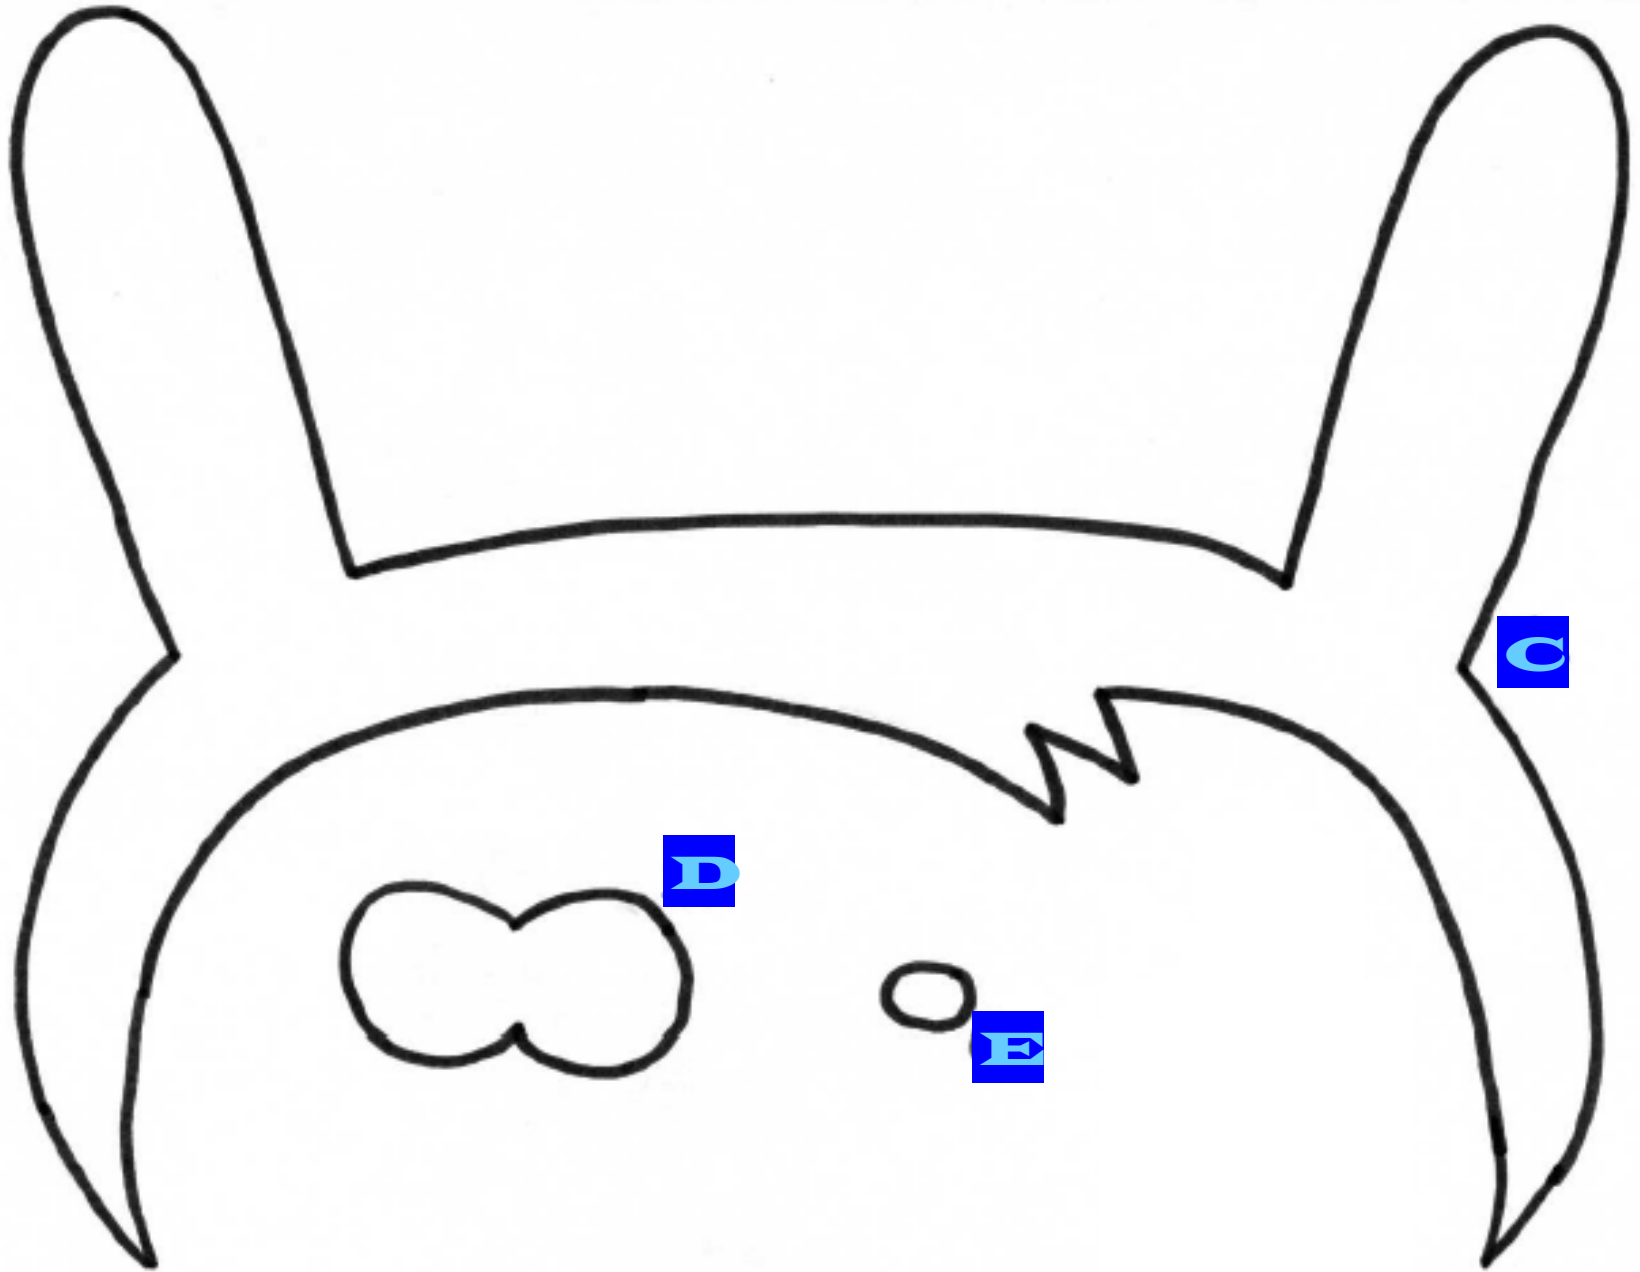

Up to 11 inches of thin elastic

Put on head and go tinkering.
